Dear Sir,

## **Re: Parking Along Jalan 1/155B, Bukit Jalil**

We are organizing a running event, Larian Amal Seri Sinar, at Taman Bukit Jalil on Sunday, 15<sup>th</sup> March 2009, from around 6:00 a.m. to 10:00 a.m. This event is supported by the Ministry of Youth & Sport (Letter from Pejabat Menteri Belia dan Sukan attached) and we are inviting the minister to attend this function.

There will be around 1,600 participants taking part in this event and we foresee that the parking in the park, Taman Bukit Jalil, will not be sufficient. Many of these vehicles may park along Jalan 1/155B, Bukit Jalil creating traffic congestion along this road. To avoid or minimize the congestion, we plead you can allow the participants for this event to park in "The Newly Completed Shops' Parking Lots" along this road for this Sunday morning. The road map is attached for your reference.

Your kind permission for us to use these parking lots for the Larian Amal Seri Sinar will be much appreciated.

Thanking you in advance.

Yours sincerely
